Other details for usage of library

The library organizes the orientation program for the newly joined students. Library also provides all access related details to the newly joined faculty and staff members. Further, the library staffs are open to resolve any problem that a user (staff or students) is facing.

Average number of walk-ins: 260

Average number of books issued/returned: 225 per day

Ratio of library books to students enrolled: 67 per student

Average number of books added during last three years: Average = 1541 per year

Average number of login to e-resources: 72

Average number of e-resources downloaded/printed: 64

Number of information literacy trainings organized: On Demand and during orientation students are informed about e-resources available in the library.

Specialized Services

- Manuscripts: Library has some archival material related to the college, including rare photographs.
- Reading list/ Bibliography compilation: On demand and compile the list of new books on monthly basis.
- Assistance in searching Databases: Every time the staff in the periodical and magazine section help the users to search the databases.

Support provided by the Staff

The library staffs helps the students and teachers to search the OPAC (Online Public Access Catalogue), reservation of books, locating the relevant books on the stacks.

Strategies of feedback from users

In the library, suggestion box is available to get the users feedback to improve the services. Annual feedback from faculty and students is taken separately. Suggestions are forwarded to library committee. The feedback provided by users is implemented with the approval of the Principal. Committee decisions are implemented time to time.

Other developments include;

- 10 Book shelves have been added for the stacking of newly purchased books
- Purchase of latest edition of references books like I.P.
- CCTV system implemented for the additional security purpose
- Computer systems in digital library are upgraded with latest configuration

Library usage programmes organized for the teachers & students

Notice of Library Orientation Programme in Academic Year- 2019-20

Notice

Date: 29/11/2018

All students of GCOPA are hereby informed that NPTEL course registration induction program is arranged in GCOPA Library by faculty Dr. Sharada L Deore as per following schedule. We request you all to present for same.

NPTEL is an acronym for National Programme on Technology Enhanced Learning which is an initiative by seven Indian Institutes of Technology (IIT Bombay, Delhi, Guwahati, Kanpur, Kharagpur, Madras and Roorkee) and Indian Institute of Science (IISc) for creating course contents in engineering and science. The objective of enabling students obtain certificates for courses is to make students employable in the industry or pursue a suitable higher education programme. Through an online portal, 4-, 8-, or 12-week online courses, typically on topics relevant to students in all years of higher education along with basic core courses in sciences and humanities with exposure to relevant tools and technologies, are being offered. The enrolment to and learning from these courses involves no cost. So please attend this induction program to learn how to enroll and register for various NPTEL courses.

Dear GCOPA Students!

Under **GCOPA -E-Library (E-learning)**, I would like to request you all to enroll, register free, give exam and get certificate in any course/s offered by NPTEL, project by MHRD, India. This will help to improve your biodata and knowledge. **There are no specific pharmacy courses but you can select courses like entrepreneurship, clinical trials, food technology, patent, research methodology etc.**

Read carefully and feel free to ask if there is any query.

NPTEL is an acronym for National Programme on Technology Enhanced Learning which is an initiative by seven Indian Institutes of Technology (IIT Bombay, Delhi, Guwahati, Kanpur, Kharagpur, Madras and Roorkee) and Indian Institute of Science (IISc) for creating course contents in engineering and science.

The objective of enabling students obtain certificates for courses is to make students employable in the industry or pursue a suitable higher education programme.

Through an online portal, 4-, 8-, or 12-week online courses, typically on topics relevant to students in all years of higher education along with basic core courses in sciences and humanities with exposure to relevant tools and technologies, are being offered. The enrolment to and learning from these courses involves no cost. Following these online courses, an in-person, proctored certification exam will be conducted and a certificate is provided through the participating institutions and industry, when applicable.

ENROLLMENT OPEN FOR 289 COURSES
